Dear Volunteers,

Welcome to our 2026 Mission!

Whether you are joining us for the very first time or returning to serve, we are honored to have you as part of our mission family. A special welcome to our dental and pharmacy students—your dedication to learning through service and compassionate care represents the future of healthcare and community impact.

For over 25 years, our organization has been privileged to serve under-served, marginalized, vulnerable, and disadvantaged communities—providing essential care to children and adults who might otherwise go without. Through field clinics, community outreach, preventive education, and direct clinical services, we have improved the lives and well-being of thousands of individuals and families. These successes are only possible because of volunteers like you who give your time, skills, and heart to this work.

Each mission builds upon the legacy of the last. We do not simply deliver services—we foster dignity, restore hope, and strengthen communities. Our shared purpose unites us: to improve health outcomes, expand access to care, and uplift those who need it most. Achieving this requires teamwork, collaboration, flexibility, and a deep commitment to excellence. Every role matters. Every contribution counts.

We also extend our heartfelt gratitude to our corporate sponsors, individual donors, and local sponsors whose generosity makes this mission possible. Their continued support, along with your volunteer service, allows us to sustain and expand our impact year after year.

As we prepare for departure, please remember the importance of submitting all required paperwork on time. Timely completion of documentation ensures smooth coordination and compliance for everyone involved. In addition, please make sure your hotel reservation and flight are paid in full by the designated deadlines to secure your participation and avoid any logistical challenges.

Thank you for choosing to serve. Thank you for your compassion, professionalism, and commitment to our shared goals. Together, we will continue a 25-year tradition of transforming lives and strengthening communities.

We are excited to embark on this journey with you and warmly welcome you to the 2026 Mission.

With gratitude,

Sincerely,
